Hon. David J. Schmitt, Chair  
Dr. Amy Roe  
Dr. Fred Scheffler

Mrs. Kim Martin  
Mrs. Debby Lucas Angel  
Mr. Scot Lahner

---

## How Do I...

### Dispose of Tires?

- The easiest manner to handle old tires is to leave them with the tire retailer you purchased the new tires from. They have a very efficient process in place with which to recycle the tires.
- If you still find yourself with old tires, the Commonwealth of KY host a waste tire collection event once every three years in every county in the State. We advertise this event in the Grant County News and on the County social media pages.
- Business can contact the Solid Waste Management Office (859-824-3050) and set up an appointment to bring the tires to our location and we will shred and dispose of them. There is a fee for this service from businesses.
- Resident can call the Solid Waste Management Office (859-824-3050) and set up an appointment to bring tires to our location. We will shred and dispose of them. This is a free service to the residents.
