Dispose of Bulky Items?

- Bulky items such as mattresses, box springs, furniture items and non-freon containing appliances can be disposed of through our curbside garbage collection program.
- Bulky item collection is on Fridays of every week. To schedule a bulky item pickup please contact Republic Services Customer Service line, before the close of business on Wednesdays and it will be picked up that Friday, at 1-800-543-1339. Each residence is allowed to set out bulky items once per month and is limited to 4 cubic yards in volume.
- If your bulky item is a mattress, box spring or furniture item that has a material covering (including leather and vinyl) it must be wrapped in plastic for Republic to pick it up.
- Please remember that this is a bulky item pick up program not a Cleanup or Cleanout event. Boxes of materials, bundles of materials, etc is not considered a bulky item, these items can be put out during the Spring and Fall Cleanup weeks.
