READ CAREFULLY: This application must be signed by the owner or the lessee who agrees to comply with the Building Code Zoning Ordinance and shall be accompanied by the plans in duplicate, drawn to scale, showing the actual shape and dimensions of the lot to be built upon, the exact size and location of the lot, of the buildings, and accessory buildings existing, and the lines within which the building or structure shall be erected or altered, the existing and intended use of each building or part of a building, the number of families or housekeeping units the building is designed to accommodate, and such other information with regard to the lot and neighboring lots as may be necessary.

The owner of lessee further agrees to obtain a Certificate of Occupancy before any building or dwelling or addition thereto occupied.

The owner and contractor understand and agrees that the permit issued upon this application shall be subject to any or all building and zoning regulations governing or relating to the subject matter and that the violation of any such regulation by them or their agents shall render the permit null and void and subject them to the penalty prescribed for such violations. The Owner, Lessee, and Contractor agree to relieve the court from all responsibility for damage or accidents caused by their negligence.

I, _____ swear that the statement made in the foregoing "Application for Building Permit", are true and correct.

Applicant

Grant County Building Inspector
